	1		Onbekend	Niet bekend gemaakt wegens privacy	2021	3	20 maart 2021	Gevangenschap	Wolf	Verenigde Staten	Caswell County	On Saturday March 20 one of the Center's professionally-trained fulltime animal keepers was performing routine activities with two of the Center's juvenile wolves, within the wolves secure enclosure and separated from the public tour path by multiple fencing barriers. During these activities the juvenile wolves bit the keeper. Pursuant to the Center's protocols and Emergency Response Plan, 911 was called and the keeper was transported for medical care. Due to the employee privacy laws, the Center cannot release any information about the employee at this time. Caswell County Animal Control was also called and the juvenile wolves have been quarantined for 10 days, just as would be the case for any dog that bit a human. At no time during this incident was any member of the public in danger. The Center continues to have as its top priority the safety of its public guests, volunteers, and employees, and the Center is confident that it provides a safe environment for all who visit and work at the Center."

	1	Kind	Vrouw	Naam niet bekend gemaakt	2020	3	14 maart 2020	Onbekend	Wolf	Zweden	Enviken	Gisteravond om 22.30 uur ging een meisje naar huis nadat ze met haar vriendin was gaan wandelen. Met nog ongeveer 100 meter te gaan tot het huis, ziet ze een wolf bij zich in de buurt. Ze doet wat de meesten zouden doen: schreeuwen en rennen. De wolf rent dan achter haar aan en op ongeveer 20 meter van het huis stopt de wolf uiteindelijk. De vader in huis kijkt uit en vraagt zich af wat er gebeurt en terecht is er een wolf. Hij gaat er vervolgens op uit om het te zoeken en vindt het ongeveer 100 meter van het huis terug en kan het een tijdje observeren. Hij dacht niet dat het normaal gedrag vertoonde en leek niet erg verlegen.
